

ELITE SERIES FIRE EXTINGUISHER AND VALVE COMBINATION CABINETS

Williams Brothers' Fire Extinguisher and Valve Combination Cabinets are built for safety and durability. They are designed to hold from 5lb to 20lb fire extinguishers and hose valves in a single unit. Tubs include a shelf for storing a fire extinguisher. The cabinets come in a variety of mounting options and door types. Custom finishes are available.

All cabinets come standard with a full glass panel door, a continuous piano hinge, stainless steel paddle latch, universal knockouts 2" and 3", and white powder coat finish.
